

Dear Sir or Madam,

The Lake Area Community Band has been performing in the community for more than 20 years. We all enjoy our concerts and it is easy to see that the crowds we draw to area parks, schools, nursing homes and downtowns enjoy our music as well.

Several years ago, we decided to list our sponsors in programs that were passed out at each of our 12 concerts. This attracted more sponsors than we had in the past and allowed us to purchase timpani as well as brand new music. For the 2011 season, we are hoping to purchase a xylophone and additional new music to perform.

To be a sponsor please email [LACB@LACBand.com](mailto:LACB@LACBand.com) or print this letter and return the bottom to the address listed below. Thank you for helping the Lake Area Community Band, a 501(c)(3) tax-exempt organization, bring music to our community.

Sincerely,

Bridget Fryman  
President of the Lake Area Community Band

Martin Becker  
Director of the Lake Area Community Band

Mike Sanders  
Assistant Director of the Lake Area Community Band
